

Xinrong Liu

Department of Economics, The University of Texas at Austin

xinrong.liu@utexas.edu | xinrong45.github.io

Research Fields

Information Economics; Mechanism Design; Contract Theory; Industrial Organization

Education

The University of Texas at Austin, Ph.D. in Economics Expected 2027

Dissertation Committee: Vasiliki Skreta (Chair), Thomas Wiseman, Maxwell Stinchcombe, William Fuchs

Duke University, M.A. in Economics 2021

Zhejiang University, B.A. in Economics 2019

Job Market Paper

What to Measure: Optimal Monitoring under Adverse Selection and Moral Hazard

Studies optimal monitoring when both the agent's type and action are hidden. The optimal new signal depends jointly on existing information and incentive requirements, and need not target the statistically least precise dimension.

Work in Progress

Screening by Task Assignment

Competition and Privacy in Digital Markets

Presentations

2026 International Conference on Game Theory, Stony Brook University
Texas Theory Camp, University of Texas Rio Grande Valley

Teaching Experience

The University of Texas at Austin

Teaching Assistant and Grader: Ph.D. Microeconomic Theory; Intermediate Microeconomic Theory; Introduction to Game Theory; Economics of Auctions; Introduction to Econometrics; Economic Statistics; Real Analysis for Economists

Research Experience

Research Assistant to Arjada Bardhi, Duke University 2020–2021
